Milam Appraisal District is Currently Undergoing a Software Conversion

The Milam Appraisal District is in the process of converting to a new software system.

During this transition, our office remains open during normal business hours. We are continuing to accept applications, forms, and other documents but will be unable to fully process those requests until the conversion is complete.

If you receive a tax bill in October that you do not believe is accurate, please consult with our office regarding the amount to pay, as nonpayment may result in penalties and interest being assessed in February.

We appreciate your patience and understanding as we complete this important upgrade. This transition will help us provide improved service to our property owners in the future.

Thank you for your cooperation.
